MEMORANDUM

State of Alaska Department of Fish and Game

To: Ed Weiss
Habitat Biologist
Habitat and Restoration Division

Date: October 20, 1995

File No:

Telephone Number: 459-7289

FAX Number: 456-3091

From: Alvin G. Ott 
Regional Supervisor
Habitat and Restoration Division
Department of Fish and Game

Subject: Anadromous
Catalog
Nominations

Attached are two additional Anadromous Catalog nominations for Region III. One of the nominations (Goldbottom Creek) was originally submitted in 1993 but was returned to us in May 1995 with a request that it be verified with "fish in hand." We are resubmitting this nomination because three Dolly Vardens were captured and measured as noted on the nomination form.

Please let me know if additional information is needed.
